Supporting Our Mission

In the spirit of Christ's love, Auburn Homes & Services enriches the lives of those we serve through (w)holistic care and ministry strengthened by community relationships.

Every year the income provided by the Call to Care Classic supports programs and/or projects that enhance the quality of life for our senior residents.

This year's Call to Care Classic will support the renovation of the Garden Café on our Chaska campus. The Garden Café is a vital part of the life experience for our residents at Auburn. It offers an opportunity for personal choice, variety and a place for families to join their loved one(s) for a meal.

The complete project will cost \$91,500. The funds from our Call to Care Classic will be going toward this project.
