

# *Celebrate a Shining Star*

At Auburn Homes and Services we are honored to serve all our residents. Many people participate in a resident's daily service and care. Some staff play a highly visible role, like nursing assistants, servers, housekeepers, and nurses. Others, like those who work for culinary or environmental services, generally work behind the scenes to ensure that our residents needs are met.

## **Who is your Shining Star:**

Did a staff member make sure your service or care was not only great, but also delivered with a smile? Did someone demonstrate an act of kindness that made your day? If that person is your Shining Star, here is the perfect opportunity to thank them.

## **How does it work?**

Use the attached envelope to make a gift to your Auburn community in honor of service, care, or an act of kindness received from your Shining Star. You can honor one staff member or several staff members. They will be notified that you have made a gift in their honor and will receive a special pin.

Most important, your Shining Star will experience a great sense of pride knowing that the service, the care, or the act of kindness has left a positive impression on you. Thank you for your gift, which brings honor to those you recognize on a personal level, and for your support.
