# Supporting Our Mission

In the spirit of Christ's love, Auburn Homes & Services enriches the lives of those we serve through (w)holistic care and ministry strengthened by community relationships.

On this 25<sup>th</sup> anniversary year, the income from the Call to Care Classic is designated to upgrade the outdoor facilities at each of our four residences. This will include updating patio furniture, adding new awnings to create shade on hot sunny days, new gazebos for two of our patios, and landscaping to enhance the beauty of our patios and exercise trails. Each of these projects will encourage our wonderful residents to experience the outdoors and truly enhance their enjoyment of life!

It is our goal to raise a total of \$16,000 from this year's Call to Care Classic for these projects.

Steve Battis, Auburn Board member, would like to thank you for investing in the mission of Auburn Homes and Services!
